12-2-23,

Dear Mr. Lummie,

I hate to apologize  
or rather dislike the  
situations which require  
an apology.

Your letter regarding  
your book of Spanish  
songs interested me  
very much and I  
have not been idle.  
I can assure you of  
three orders and  
may perhaps find

others. I will send  
you the money in a  
few days for three  
books.

My extra time has  
been taken up completely  
with my aged mother.

She is very infirm and  
requires great care and  
patience and time.

Forgive my delay and  
I wish you great success.  
wh no doubt is already  
assured.

Yours Cordially,  
Teta Williams

Dear Texa:

All Right--- Send them in at your convenience.  
Over 1500 copies subscribed for before anybody has seen the  
Book at all. It has just got here and is a beauty.

I am very sorry that your mother is so infirm, and  
can imagine that it requires great care and patience to watch  
over her.

With love and best wishes,

Always your friend,
